The Kiwi dream furniture

Memories of the bach, the charm of a cottage.

Fern's light, fresh coastal-style drawers with a crisp white border bring back memories of long summers at the bach. The matching white slimline handles are a subtly elegant touch. Fern is perfect where space is limited, with features including a handy shelf at the top of each unit, as well as a secret storage flap in the headboard to maximise storage and minimise clutter. All drawers have full-extension, soft close, ball bearing runners which makes using easy for all ages, for years and years. Made in New Zealand, with 10 year workmanship guarantee.
